## Public Wi-Fi

### Joining the complimentary Wi-Fi

1

Turn on Wi-Fi

Ensure your Wi-Fi setting is turned on, then select 'Mapletree Public WiFi'.

2

Accept the terms and conditions.

Click the small check box, above 'connect'

3

Start Browsing.

Accept privacy statement and click 'Connect' to connect to the service.

See Wi-Fi terms and conditions. (<https://techdgroup.com.au/faq/waymouth/>)

Please note that this free Wi-Fi service is not encrypted.

To make joining the Wi-Fi as easy as possible, we recommend:

- ensuring you have the latest operating system on your device
- clearing browser cookies and cache
- turning ON cookies from visited websites
- turning OFF private browsing
- setting your IP address settings to automatic
- selecting 'Mapletree Public WiFi' as your connection network.
